

## Assignment 11 – DECISION *about* CONCEPT

---

1. Ask yourself and write the answer: “What do I believe about God?” NOT asking about what you think you know, feel, want, or that you have been told. “What do you BELIEVE - right now?”
2. Read Chapter 4 (We Agnostics p.44-57) and highlight anything that stands out to you for any reason.
3. Re-read and highlight Chapter 4, with a different color. This time highlight and mark the phrases that you disagree with, have resistance to, doubt, or have any negative connections with.
4. Re-read (for the last time!) and highlight Chapter 4, in a different color. This time highlight and mark the phrases that you can embrace, that you resonate with- especially looking at the synonyms for God, for example, “Power”, “New Land”, “Broad Highway”, etc.
5. Question 1 above asked ‘what do you believe?’. Now consider what is my behavior telling me about my beliefs? (*Note: “My behavior tells me what I believe”*)
6. Choose the attributes or qualities (for example: power, caring) you NEED/want God to be/have. Write out your CHOICE of CONCEPT for POWER. Begin to act as if it is real!
